Hustisford High School Senior Project

Vision:

Throughout the development of the Senior Project, students will demonstrate their initiative, responsibility, organizational skills, community involvement, vocational, intellectual, creative and academic abilities.

Goals:

The senior project will provide:

- An opportunity to explore career aspirations, give back to the community, or promote volunteerism
- A self-directed, active learning experience completed by all students earning a Hustisford High School diploma
- An opportunity to display a student's unique skills, talents and abilities to staff and community members
- An activity or task that encourages students to apply themselves in an environment outside of their usual school or family interactions

Scoring:

- A minimum of 75 points is needed to pass
- If the score is not met, a second presentation will be required in front of the Board of Education

SENIOR PROJECT DOCUMENTATION SHEET

Student and Parent/Guardian – Project Acknowledgement

- A. We (Student, Parent/Guardian) are aware that the Senior Project and its presentation are required to graduate and earn a diploma from Hustisford High School.
- B. We understand the Senior Project will require extraordinary effort that challenges a student's potential and models excellence for future seniors.
- C. We understand that selection of the Senior Project is made independently of the school staff and administration, but is subject to school approval.
- D. We understand that cancellations of the presentation may result in failure to graduate and/or participate in graduation ceremonies.
- E. We understand that academic dishonesty during the Senior Project will lead to both failure of the Senior Project and failure to graduate.
- F. I have reviewed the Senior Project Guidebook with my student.

Journal Entries

Complete a minimum of 10 journal entries. All journal entries must be a **minimum** of one paragraph long and typed for your portfolio.*

Each journal entry should include at least two of the suggestions below:

- Reflections on your experiences, the people you are interacting with, and the changes to your daily schedule.
- How is the experience affecting you? Is it impacting your relationship with others?
- Include your accomplishments and suggestions for your own personal change and improvement.
- Discuss your personal growth and insights about yourself resulting from your project.
- Write something for every experience.

Project Summary

- Create a half-page (or more) summary reflecting on the personal growth you have experienced by completing this project. (Ex. Did you meet your short-term goals during this project? Has this project provided you with any insight on your long term goals?)

Hour Log

- Create a document that includes all dates, times, and hours spent working on your project. Include a total for your hours on the hour log.
- This document must be signed & verified by each person who is a part of your documented hours; i.e. supervisor, interviewee, person you job shadowed. **This person(s) must be present during all of the completed 20 hours. The supervisor will be asked to verify this fact in a signed document to be turned in with the student proposal.**

Additional Portfolio Items

You may want to include some additional items to add to your portfolio.

- Research – All research will become part of your portfolio, but not part of your 20 hours.
 - ALL research must be pre-approved by the Senior Project Committee
 - Acceptable research: hands-on experiments, interviews with people in the field.
 - Unacceptable research: internet inquiries resulting in papers, multiple interviews on the same topic.

- Photographs, art samples, drawings, etc. documenting the progress of the project throughout the year.
- Any other written documentation you feel is pertinent to the project.

Senior Project Portfolio

You need three copies of your portfolio:

- Three copies of your completed portfolio must be turned into the office by 12:10 p.m. the day prior to your presentation date

Your portfolio must contain the following documentation:

- Cover Page
- Resume
- Proposal/Documentation Sheet/Supervisor Verification Sheet
- Journal Entries
- Project summary
- Any additional items
- Signed Hour Log
- Advisor Checklist

*Your writing skills are a reflection of your accomplishments here at Hustisford. Use proper English and proofreading skills as you prepare all of your documents for your Senior Project. Be sure to get your portfolio proofed by your advisor.
